2. In accordance with instructions received from His Majesty's Secretary of State for India, the Government of India are about to issue general orders withdrawing the ccn cession of rent free quarters, except in the most exceptiona circumstances, when present incumbents vacate their appoint ments. In the circumstances, as the present Lady Doctor of the Gosha Hospital, Bangalore, has been occupying her quart rent free since November 1925, she may be permitted to con- tinue to do so for the period of her incumbency. It must however definitely be understood that this concession is pe sonal to her and will not be enjoyed by her successors.

3. The rental of the quarters now occupied by the Lady Doctor of the Gosha Hospital, namely Rs. 50/-(rupees fifty) per mensem, from the 21st November 1925, should be m from the savings under '32-Medical' of the Assigned Tract budget estimates.

4. In regard to the allocation of the expenditure on rent of the quarters occupied by the present Lady Doctor

between

between the Assigned Tract Revenues and the Municipal Commissio
Bangalore, the Government of India see no reason to exempt the
Municipal Commission from their liability for the payment of
a one-fourth share, as the enjoyment of rent free quarters is
in effect part of the Lady Doctor's salary, one-fourth share of
which is debitable to the Municipal Commission in return for h
holding charge of the Infant Welfare scheme.

5. In regard to the request of the Municipal Commission, Bangalore, to be exempted from payment of leave and pension contributions while the Lady Doctor remains in charge of the Maternity and Child Welfare work, or, at any rate, till the end of the current year, attention is invited to paragraph 3 o
the Foreign and Political Department memorandum No. 13(97)-A.,
dated the 5th May 1927, in which it was decided that the
Municipal Commission were liable after the 31st March 1926 for
the leave and pension contributions leviable under the rules.
The Government of India see no justification for exempting the
Commission from this liability and regret that they are unal
to accede to the request of the Commission.

Deputy Secretary to the Government of India.

Subject:-Grant of leave to Dr.Miss McMurray.

Sir,

S.234
669-01.

In continuation of this office letter No.2212/ dated 17th.January 1928, I have the honour to inform you that the reduction of the minimum pay from Rs.300/- to Rs has made the appointment less attractive,as the Lady Doc is to pay rent for the quarters and furniture. I intend appointing Dr.Miss E.Collins for 8 months in place of Dr Miss M.E.McMurray. Miss Collins now enjoys the privilege free furnished quarters and her pay is Rs.155/-. If she i given only Rs.200/- the minimum pay of the Lady Doctor in charge Gosha Hospital,after paying Rs.36-15-0 per mensem for quarters and furniture it will remain only Rs.163-1-0 Rs.8-1-0 more than what she gets in Lady Curzon Hospital which I consider is not an equitable amount for the resp bility she would have in Gosha Hospital. I therefore rec mend that the Hon'ble the Resident be pleased to exempt Miss E.Collins from paying rent for quarters and furnitu or to give her Rs.250/- as an exceptional case.

Under Memo No.5-5-a,dated 28th.December 1927 f Government of India the present incumbent of the post of Lady Doctor Gosha Hospital is exempted from payment of r for house and furniture. It may be possible to interpret this ruling as also applicable to the Lady who temporari
